If you do not agree to these Terms, you may not establish a *Cerner Patient Portal* connection. By using or accessing *Cerner Patient Portal* you agree to be bound by these Terms.

You may not permit any other person to access *Cerner Patient Portal* using your user name and password. The security of your password and the use of your account is your responsibility. If you learn or suspect that your user name or password has been wrongfully used or disclosed, you should promptly notify Cerner and immediately reset your password.

Your Information

The information available for you to view through *Cerner Patient Portal* is not a comprehensive view of all the data in your Provider's EMR. Your interactions with *Cerner Patient Portal* (such as secure messaging, scheduling and completing questionnaires) are interactions with your Provider. Maintaining Another Person's Connection

If you are legally authorized to view another person's health information, their Provider may give you access to *Cerner Patient Portal* for that person, subject to these Terms. Various federal and state regulations prohibit sharing certain categories of sensitive information with anyone other than the patient. Many such regulations prohibit sharing sensitive information about minors over the age of 13 with their parents or legal

guardians. As such, the Provider may restrict your access to the other person's sensitive information and not make it available to you through *Cerner Patient Portal*.

Proxy Use of Cerner Patient Portal

You may also authorize a proxy(ies) to view and interact with *Cerner Patient Portal* based on the specific privileges you've assigned. You may authorize any person who qualifies for a *Cerner Patient Portal* connection, including a minor, to be a proxy. If you have agreed to allow a minor to be a proxy, you agree that you shall be solely responsible for: (a) acceptance of these Terms on the minor's behalf, (b) the minor's compliance with these Terms, (c) the on-line conduct of such minor; (d) monitoring such minor's access to and use of *Cerner Patient Portal*; and (e) the consequences of such minor's use. Access or privileges you give to someone can be modified or removed by you at any time, for any reason.

When you share information from *Cerner Patient Portal* with another individual, you acknowledge and accept responsibility for the decision to provide them access to potentially sensitive information.

Privacy

You agree to the terms and conditions of the [Cerner Patient Portal Privacy Policy](#), which is incorporated into and made part of these Terms.
